Woodside Cupp Course

The Cupp Course at Woodside Country Club in Aiken, South Carolina, is an 18-hole, par-72 championship golf course designed by renowned architect Bob Cupp. Stretching up to 7,178 yards from the back tees, it offers a challenging experience for golfers of all skill levels.

The course features Bermuda grass on its tees, fairways, and greens, ensuring consistent playing conditions throughout the year. Golfers can choose from multiple tee boxes to suit their abilities, with yardages ranging from 4,814 yards (Azalea tees) to 7,178 yards (Palmetto tees).

One of the standout holes is the signature par-3 4th hole, which overlooks Spalding Lake. A well-placed shot to the center of the green here can lead to a rewarding par.
